Abstracts Collection

The CLOL Scientific Committee invites all presenters to submit abstracts about practical assessment, therapy and prevention methods, and experience in initial education. Abstracts focusing on theoretical issues in speech and language therapy are also welcomed.

The deadline for submission of communications shall be 23/11/2014

The acceptance of scientific contribution will be notified within the 31/12/2014

- [Abstracts Guidelines](#)
- [Template Document](#)

Send Abstract

To send a new Abstract, please click on the button "Send Abstract" and follow the procedure. You will be requested to insert the authors' number, the presentation type and the authors' details, then the abstract's title and details. After the submission is completed, you will receive an email of confirmation with your username and PIN.

Send Abstract

Check Abstract Status

To check the status of your submitted abstract, please insert here below your last name (username) and your PIN (received with the email of submission confirmation) and then click on the button "Check abstract's status"

Then you have the data collection of the presenter and author(s).

In case the previous window, the number of author specified was more than 1, you will have also to specify the master data of all authors.

You will also have to flag who will be the “presenting author” if it is not the “presenter” (first contact name entered)

Afterwards, you will have a look of information entered combined with the text uploaded. Using the appropriate button, you will send the document and receive the confirmation message by e-mail (the e-mail address used is the one entered at the beginning in the "Presenter" data). The given Username and Password can be used for checking the status of the abstract.

Abstracts Submission Completed

Thank you! Abstract submission has been successfully completed and your data are recorded properly.

An e-mail with confirmation will be sent to the address indicated, with further information.

If you don't receive this message please contact the Organizing Secretariat to check for errors in the transmission.

End **Send another abstract**
